SYNOPSIS

WHY WE LOVE IT

ABOUT THE AUTHOR

Sometimes when you read books told from multiple perspectives, you might favor one narrator over another or, worse, skim one's section to get to the one you really care about. Not so with Lee's latest. In fact, we found ourselves racing through this exotic, sexy, heartbreakingly book simply because we couldn't wait to find out what happens to each of the women. We were concerned for Mercy, rooting for Hilary, and crying for Margaret. Each one is a stranger in a strange land. On some level, aren't we all?
